Dear Sir :

We possess your favor of the 30th ult., saying that the Director of the Mint has decided that the maximum weight of Silver Bars shall not exceed 1200 ounces each.

We beg to inquire of you whether, in case the Aurora Refinery should decide not to make their Bars less than 1500 ozs. each and we should ship you such Bars, you could not have them remelted, and what your charges for this remelting would be.

Yours, very truly,

J. & W. Seligman & Co.
